MyBullet – User Manual

Discover new sweet spots with this adorable, waterproof, small yet powerful bullet with 10 vibration modes and a soft, dual density silicone finish.

It snags your eye with its unique cute and cuddly appearance. Powered by an incredibly strong yet quiet motor, MyBullet provides you deep rumbling vibrations ranging from mild to wild.

The pinpoint tip features a narrow ball for precision vibrate delivery, perfect for nipple and clitoris play. Start with what feels good, trace its tip over your erogenous zones or hold this bullet horizontally for less intense stimulation. MyBullet is fun to play with both alone or with a partner.
