- Jacking motion of the “pearl” against the G spot
- Two motors for stimulating the clitoris and G spot
- 10 “pearl” functions and 10 vibration modes
- Both functions can be separately controlled
- Splashproof (IPX6)
- Rechargeable, USB charging cable included

Operation

1. Charging

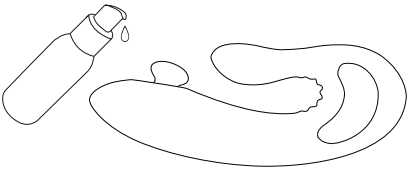

Please fully charge for around 100 minutes before first use.
LED flashes white: charging
LED lights white: fully charged

2. Use

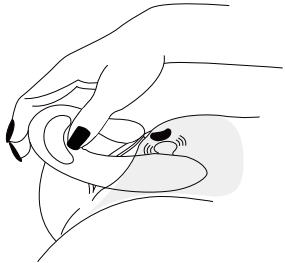

Please unlock MyPearl before usage.
Travel lock:
Please press and hold both buttons for 3 seconds, until the two buttons flash in red. Please repeat the same operation when the product is switched off to lock it.
Start Vibration:
Press and hold the button for 2 seconds to start the vibration. Shortly click the same button to cycle through 10 vibration modes (3 continuous speed levels and 7 different patterns).
To turn off the vibration motor, please press and hold the button for 2 seconds.
Start Pearl motion:
Press and hold the button for 2 seconds to start the “pearl” function. Shortly click the same button to cycle through 10 “pearl” functions (3 speed levels and 7 motions patterns).
To turn off the “pearl” motion, please press and hold the button for 2 seconds.
After turning off, the “pearl” will stop automatically at the lowest position.

How it works

- For a better experience, apply some water based lubricant on both arms.

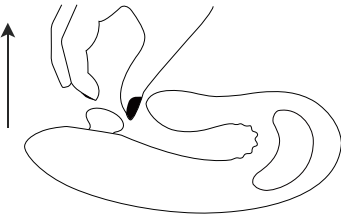

- To use, insert the long arm into your vagina, the clit arm lays against the clitoris. Turn it on as described above and play around with the position and settings until you find your spot – enjoy!

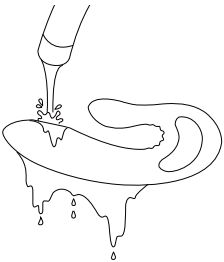

How to clean

- To start, first remove the pearl from the toy by gently pulling on it until it is removed.

- Once the pearl is removed, gently wash with a toy cleaner or a soapy solution. Rinse under water until the toy cleaner or soapy solution is gone.

- Keep it afterwards in a dry and cool place.
- Once dry, gently push the pearl back into its position on the toy.

Specification

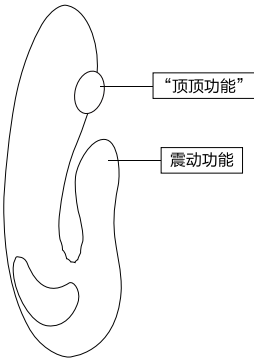

- **Material:** Body–safe silicone and ABS with smooth surface
- **Size:** 160mm x 32mm, insertable length: 103mm
- **Modes:** 10 pearl motions, 10 vibration modes
- **Operation time:** 100 minutes
- **Charging time:** 100 minutes
