Ultimate Masturbation Cup with Powerful Vibration and Licking Tongue

FrenchKiss is an innovative electrical masturbation cup consisting of a tongue and a vaginal canal, each with separate control. It brings into reality the masturbation dream to climax with the help of a flexible-licking tongue while thrusting in the vaginal canal. The internal soft material envelopes your penis and meanwhile the flexible realistic tongue licks your glans. You may even use the tongue part separately and stimulate other sensuous areas. The unit comes with two separate controls, allowing you to enjoy 49 ultimate stimulation combinations.

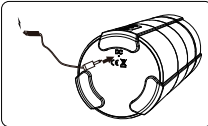

Features:

- Supple real-feel material
- Realistic ribbed vaginal canal
- Unique combination of licking tongue and vibration
- 7 vibration modes and 7 licking patterns
- Rechargeable
- Tongue part is waterproof, the vaginal canal part cannot be used in water
